BISHOP KENDRICK'S VISIT

**Save
the
Date**

SUNDAY, MAY 11, 2025

**ALL ARE INVITED TO A
RECEPTION IN THE PARISH HALL
IMMEDIATELY AFTER THE
SERVICE**

Ministry Committee Moment

Members of our ministry committee treated the teachers and staff of Elliott Point Elementary to a Cinco De Mayo Celebration to kick off Teacher Appreciation Week!
Elliott Point is just one example of the things St. Simon's supports in the community.
There are lots of ways to get involved. Everyone is welcome to attend the Ministry committee meetings the 2nd Tuesday of each month at 1100.
Or call Kelley Fuller 850-830-8498 for info on ways to get involved!

Plants--potted (labels preferred)

Please no broken, damaged or otherwise undesirable condition items.

This list is not exclusive--it's just to provide a few examples.

If you have questions, please contact Paige King 931-302-3750 or paigethomasking@gmail.com

At the first Pentecost, the Apostle Peter, inspired by the Holy Spirit, preached his first sermon, explaining how the prophet Joel had foretold the coming of the Holy Spirit. After this sermon, Peter converted three thousand people. For this reason, Pentecost is considered the birthday of the church.

So, in addition to wearing red, we invite you to join us in the Parish Hall after the service for a birthday celebration!

This is a great time for fellowship...and eating cake! Upon arrival, find your "birth month table" and enjoy a treat with the others who share your birth month.

If you are interested in bringing the cake for your birth month
Please sign-up in the Atrium

 - Join us in making a difference by contributing to this important cause
 - Your donation will have a powerful impact

Roof Repair Frequently Asked Questions

St. Simon's on the Sound

2025 Roof Repair

1. Will the AC units need to be removed/alterd to apply the silicone?

No. There is a process to ensure that all AC units get special attention to ensure proper sealing.

2. The bell tower could prove particularly challenging. Could they clean all rust from the steel framing and then seal the metal in silicone, along with sealing the entire bell tower flat roof?

Yes, this will not be a problem and was included in the final quote.

3. If the silicon is applied before the shingle roof is completed, will that result in a lot of rework?

No, as we will get a 20-year warranty for the work, they are willing to be on site to ensure no damage is experienced and to fix anything that may go wrong, regardless of who performs the shingle work. That would be part of the shingle effort in the future.

4. There has been substantial leaking over the choir room, and we believe the steeple may have something to do with that. What do they (Sherwood Roofing) recommend?

Sherwood Roofing has prior experience with other steeples and has had great results. The steeple was included in the final quote.

5. Can something be done to help the skylights over the Chapel and the Church hallway?

Yes, they can clean and seal with clear silicone.

6. Given the nature of the product, are there special protective applications that can help prevent damage, particularly for tasks like AC repair?

Yes, they can apply “walking pads” for high-density areas that are basically the application, but with a binder that makes the solution more robust.

7. What is the total cost with a twenty-year warranty?

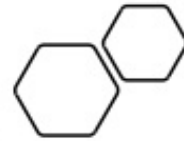

\$45,310 with a twenty-year warranty

ARE YOU A CAREGIVER?

This is a tough role and you are not alone. Meet other caregivers as we share experiences, tips, information, resources and stories. Join us as we make new friends and share our thoughts and ideas.

Caregivers Support Group

Location: St. Simon's on the Sound
Episcopal Church
